Dear Parent/Carer,

Temporary Traffic Lights – Springwell Road

I am writing to make you aware that there are some temporary traffic lights in place a few metres away from the student entrance on Springwell Road. This will cause significant congestion at the start and end of the school day. I have contacted South Tyneside Council however they are unsure how long this traffic management system will be in place. Can I please therefore ask that you avoid this specific area if at all possible and use a different route when bringing in, or collecting your child.

I will write again if I receive any updates from South Tyneside Council.

Many thanks in advance for your support with this.

Yours sincerely,

Miss J. Gillies
